

Consistent Support for Specific Causes:

Designated Fund

Perhaps through volunteering, a personal connection, or a desire to make a difference, you have developed a passion for specific nonprofits. Your Designated Fund ensures they receive ongoing, reliable support.

Getting Started Is Easy

A Designated Fund makes it easy to support your favorite causes, automatically. Making a lasting impact is as simple as:

Give

Establish your customized Designated Fund with a gift of \$10,000 or more — and the option to endow at \$50,000. Identify the specific nonprofits you want to support, and we'll work with you and your advisors to create a simple, lasting way to give regularly to the organizations you care about most.

Grow

Your fund grows through professionally managed investments, increasing your charitable impact over time. We invest according to your preferences, provide regular statements, and make it easy to add to your fund at any time — including through your estate — while receiving the maximum tax benefits allowed by law.

Grant

We distribute annual grants automatically to your chosen nonprofits, ensuring consistent support with minimal effort. Our team handles the paperwork and provides personalized service, so you can give with confidence, knowing your generosity is making a meaningful difference.

We take care of the administrative work for a modest support fee that is reinvested into local grants and programs, helping strengthen our region.

Consider a Designated Fund if you:

- Seek to support specific organizations, regularly and without change.
- Prefer to avoid the administrative hassles of writing annual checks, tracking multiple tax receipts, and receiving solicitations.
- Appreciate the efficiency of annual distributions sent by the Foundation to your designated organizations on your behalf.
- Would like to direct your QCD to multiple causes.

Founded in 2001 by community-minded individuals, Yolo Community Foundation promotes philanthropy by serving as a public foundation through which community members pursue their own charitable goals, local nonprofits benefit from programs and events, and youth learn the meaning of community involvement and service. **Learn more at yolocf.org.**
